

K-LOVE is my vibrant, ever-present link to adult contemporary Christian music that is heard throughout the United States. If K-LOVE were to be displaced by an LPFM broadcaster providing other programming, we would lose the music, spiritual nutrition which energizes and encourages us, and the Christian fellowship that truly blesses us all. K-LOVE is a listener supported, commercial-free 24/7 station which I support and hope you will do all you can to keep it on the air here in Oregon. I listen on 96.5 and all up I-5 when I travel here in Oregon...like 107.1, 100.9 and 92.9, as well.
